

Presents

WMD Exercise Development Course

February 9-13, 2004

Holiday Inn & Convention Center

110 2nd Avenue

Kearney, Nebraska

ABOUT THE TRAINING COURSE

Exercise Development Course is designed to assist in the development of an effective and useful exercise, a well thought out process that will result in several working tools to include:

- An Exercise Plan
- An Exercise Control Plan
- An Exercise Evaluation Plan
- A Players Handbook

Each of the proposed will enhance the management of an exercise. It is a goal of this course to provide the participant with the knowledge, skills, and tools necessary to understand the exercise process, which in-turn will increase their capability to conduct effective exercises.

TARGET AUDIENCE

Individuals who have the responsibility for managing, designing, conducting and evaluating exercises...

Individuals like you! The course is open to members of the Homeland Security Group, and its sub-committees, members of any state agency design team, local Emergency Managers and/ or community training officers.

PRE-REQUISITE:

Students must have successfully completed EXERCISE DESIGN (G120) or WMD EXERCISE PLANNING prior to attending this course. **NO EXCEPTIONS!!!**

REIMBURSEMENT

The Nebraska Emergency Management Agency will reimburse all meals and will also provide lodging for this course. To register and make lodging arrangements, please phone Viena Kose @ 402 471-5088 or register online as soon as possible or no later than January 16, 2004. Space is limited to the first 35 registered.
